NEW: PROPERTY TAX RELIEF ON PERMANENT RESIDENCE: Statutory changes have affected the exemption/exclusions that citizens may be eligible for. Please read the following carefully as these Statutory changes provide reductions in your real property value if you are eligible.

1. EXEMPT BUILDER'S INVENTORY (G.S. 105-277.02)

Residential – Exempts from property tax the increase in value to residential real property held for sale by a builder, to the extent the increase is attributable to subdivision or improvements by the builder. The exclusion is limited to three years for residential properties.

Commercial – Exempts from property tax the increase in value for commercial real property held for sale by a builder, to the extent that the increase is attributable to subdivision or non-structural improvements by the builder. The exclusion is limited to five years for commercial properties.

This exemption applies to subdivision of or other improvements made on or after July 1, 2015. Builders claiming an exemption from property tax must apply annually in January. For more information or to obtain an application, visit our website at www.co.roberson.nc.us or call 910-671-3060.

2. ELDERLY OR DISABLED EXCLUSION (G.S. 105-277.1) This program excludes the greater of the first \$25,000 or 50% of the appraised value of the permanent residence of a qualifying owner. A qualifying owner must either be at least 65 years of age or be totally and permanently disabled. The owner cannot have a gross income for the previous year that exceeds \$37,900.

3. DISABLED VETERAN EXCLUSION (G.S. 105-277.1C) This program excludes up to the first \$45,000 of the appraised value of the permanent residence of an honorably discharged veteran who has a total and permanent disability that is service-connected or who receives benefits for specially adapted housing under 38 U.S.C. 2101. There is no age or income limitation for this program. This benefit is also available to the unmarried surviving spouse of an honorably discharged veteran.

4. CIRCUIT BREAKER TAX DEFERMENT PROGRAM (G.S. 105-277.1B) Under this program, taxes for each year are limited to a percentage of the qualifying owner's income. A qualifying owner must meet the following requirements: (1) Must be 65 years of age or totally and permanently disabled (2) Must have owned and occupied property as the owner's permanent legal residence for 5 years (3) Must be a North Carolina resident (4) Must have income that does not exceed \$37,900. If income is \$37,900 or less, taxes on the permanent residence are limited to 4% of income. If income is between \$37,900 and \$56,850, taxes on the permanent residence are limited to 5% of income. If income is over \$56,850, owner does not qualify for the Circuit Breaker Tax Deferment Program. Taxes over the tax limitations are deferred taxes. Deferred taxes are a lien on the property. Interest accrues on deferred taxes as if they had been payable on the dates on which they would have originally become due.

HOW DO YOU APPLY FOR THE EXEMPTIONS/EXCLUSIONS LISTED ABOVE?

- Citizens who have previously applied for the elderly/disabled exclusion and have been granted this exclusion and continue to meet the income of \$37,900 are not required to make application for 2025. However, if you wish to apply for the Circuit Breaker Exclusion please check the appropriate box below.
- If you are a citizen who would like to make application for any of the exemption/exclusions listed above, please check the appropriate box on the front page.

Marking yes or no in the top right corner of the front side of this form confirms that you have read the above exemption/exclusion options and you understand the deadline for submitting an exemption/exclusion application to the Tax Administrator is June 1, 2025.

If you wish to receive the 2025 exemption/exclusion application, please indicate it on the top right corner of the front side.
